

Central Lyon County Fire District

FIRE STATION 38 HELIPAD PROJECT

April 6, 2026

Project Summary

The Central Lyon County Fire Protection District has submitted applications to Lyon County for a Conditional Use Permit (CUP) and a Zoning Map Amendment related to Fire Station 38 to allow for an air ambulance partner to operate out of Fire Station 38 located at 199 Six Mile Canyon Road, Dayton, NV.

- **What:** Conditional Use Permit (Helipad) and Zoning Map Amendment
- **Where:** 199 Six Mile Canyon Road, Dayton, NV
- **Purpose:** To allow for the potential addition of a helipad and transition zoning to Public Facilities
- **Hearing Date:** April 14, 2026
- **Time:** 9:00 a.m.
- **Location:** Lyon County Board of Commissioners Chambers, 27 South Main Street, Yerington, NV

Public Participation

Members of the public may attend the Planning Commission hearing and provide comments.

Written comments may be submitted prior to the meeting to Lyon County Community Development Department at planning@lyon-county.org or by calling 775-463-6592.

Interested persons may also attend via Zoom as coordinated by Lyon County.
